

Table 1

Junior Medical Officer Mandatory Training Requirements (State-wide - Red Flag)

The below table outlines all state-wide mandatory training requirements for Junior Medical Officers. This training is marked with a red flag in My Health Learning.

You can find state-wide mandatory training requirements for Senior Medical Officers (including VMOs) in Table 2, locally determined mandatory training requirements in Table 3 and pre-employment requirements for Non-specialist Medical Locums in Table 4.

The four modules included in the Challenge Test for Medical Officers (134540431) are shaded in the table. If you successfully complete the Mandatory Training Challenge Test you are marked as complete for the associated training modules.
